Dear Craig:

On behalf of Samuel Everitt and Walter Miller Elementary Schools, I would like to thank Second Chance Toys for their generous contributions to our holiday gift-giving program. Your commitment to helping spread a little extra holiday cheer to our families during these very challenging economic times is sincerely appreciated. With your help and the help of other organizations, churches, and caring individuals, the holiday gift-giving program was able to provide gifts to over 160 needy children.

Attached is a copy of the thank you letters that we received from our very grateful families. If you have any questions, please do not hesitate to contact me at 215-809-6326/66.

Sincerely,

Janette Aguilar, RN, BSN, M.Ed.
